

School of Mathematics and Physics
University of Queensland
Summer Industry Experience Internship Program 2019-20

- Provides an opportunity for an intern from the School of Mathematics & Physics to contribute to projects within your company.
- Six to eight weeks placement (up to 4 weeks in December 2019; up to 4 weeks January/February 2020) – UQ will handle contract and insurance coverage.
- Co-payment (50% funded by UQ; 50% by industry partner) scholarship with UQ for students to receive \$360 per week.
- Students will present their internship experience at a UQ event (subject to Industry consent/IP).
- Up to 25 scholarships for SMP summer interns are available for 2019-20.

If your company is interested in participating, please contact us at smpindustry@uq.edu.au

The SMP Industry Team:

Dr Thomas Taimre (Mathematics & Statistics) t.taimre@uq.edu.au

Dr Christopher Baker (Physics) c.baker3@uq.edu.au

Murray Kane (Industry Placement Program Officer) murray.kane@uq.edu.au

Nicole Alexander (Administration) n.alexander1@uq.edu.au

Project submission deadline is **Friday 23rd August, 2019**. We will advertise these internship opportunities to our students from **Monday 26th August, 2019**. You will receive all applications for your project in the final week of September, and after conducting your own selection process, should communicate the outcome to us by **Friday 18th October**. Thereafter standard UQ placement/work experience agreement will be provided to finalise the terms of the arrangement.
