

UQ School of Mathematics and Physics

Summer Industry Experience Internship Program 2021-22

Provides an opportunity for an intern from the School of Mathematics and Physics to contribute to projects within your organisation.

Six to eight weeks placement
(up to four weeks in December 2021;
up to four weeks January/February
2022)

**Students present their internship
experience at a UQ event**
(subject to industry consent/intellectual
property)

**UQ will handle contract
and insurance coverage**

**Open to undergraduate and
postgraduate coursework
students in mathematics,
physics, and statistics**

**Students to receive \$360
stipend per week**
(50% funded by UQ; 50% by
industry partner)

**THE UNIVERSITY
OF QUEENSLAND**
AUSTRALIA

CREATE CHANGE

Questions?

Contact the School of Mathematics and Physics to discuss your organisation's participation: smpindustry@uq.edu.au.

If your organisation is interested in participating, please submit a project by 17 September at: [bit-ly/smp-intern-project](https://bit.ly/smp-intern-project)

School of Mathematics and Physics Industry Team:

Dr Michael Forbes
(Mathematics)
m.forbes@uq.edu.au

Dr Pat Scott
(Physics)
pat.scott@uq.edu.au

Project submission deadline is Friday 17 September 2021. By submitting an available project, you are **not** obliged to take on an intern. Selection of interns will be conducted through your own review process.

You will receive student applications for your project from UQ in the second week of October. After conducting interviews and offering a position to the successful candidate/s, you will communicate the outcome to UQ by Friday 29 October 2021.

Previous UQ School of Mathematics and Physics Industry Internship Partners include:

- Aginic
- Allianz
- Australian University Sport
- Auto & General
- Autopilot
- Biarri Optimisation
- Boeing Research and Technology Australia
- Certus Solutions
- CoreLogic International
- CSIRO
